School Leaders for 2014

Congratulations to our six candidates who showed incredible leadership today when they spoke to students from year 4 to year 10. Our students spoke about what leadership means to them and what they will do for our school if elected to our student leadership team. The second step in the process is to interview the top four students to determine who will be school captains and who will be vice captains. Information about our leaders will be released next week.

THANKS TO OUR TUCKSHOP LADIES

Tomorrow is Tuckshop Day – a huge thank-you to our hard working tuckshop convenor and volunteers who help provide our school children with delicious and nutritious food and drinks. The organisation and provision of tuckshop is a huge task and we are fortunate to have people dedicated to providing the service. Many thanks to Marcia and Ros.

NO PRIMARY PARADE TOMORROW

due to swimming carnival (Presentations at the event)
WELL DONE SHAWNA
Congratulations to Shawna Pope, who gained 11th in 100m and 15th in 200m semi-finals at State level. As well as natural ability, this achievement is thanks to Shawna’s enthusiasm, dedicated training and coaching from Mum, Melanie. Well done to both.

FREE DRESS THANKS
Last Friday’s free-dress fundraiser raised $238 for the Special Children’s Christmas appeal. Thanks to all for your support.

MUSIC, COUNT US IN
Primary students walked down to Pioneer Park in Lyons Street this morning to take part in the Australia-wide simultaneous singing of Keep On. The dedication of teachers and parents in assisting students to learn and perform this impressive community activity is appreciated.

YEAR 10 SET PLANS
Parents of Year 10 students will be invited to attend individual meetings with teachers in the coming weeks to review their child’s SET plan.
Year 10 students will be asking parents about to attend a short meeting to ensure that plans for the following years are in place. Meetings generally take about 15 minutes.

AWARDS NIGHT
Students should wear neat casual clothing for the ceremony.
The evening will include entertainment and speeches with a supper afterwards. Please bring some supper to share. Start time is 7pm and expected finish time is 9.30.
Band and choir members and all students who will be receiving awards will take part in rehearsals at the hall during school hours next Thursday afternoon.
Donations towards the costs of the event would be very welcome and can be forwarded to the school office.
TOY CATALOGUE FUNDRAISER
If you are interested in ordering, please do so by 7th November, using the forms in the brochures.

SCIENCE CAMP
Felicity Sharp, Demi Robinson and Misty Tucker enjoyed 4 days at Boyne Island Environmental Education Camp last week. They were part of a group of 21 girls from around Queensland who took part in this camp with a difference. It was quite challenging at times and included both scientific and physical activities.

One experiment involved monitoring of heart rates at set intervals as participants climbed a pole then jumped from the top. Rates varied between students, some having little change and others experiencing very significant heart rate increases.

PRIMARY SWIMMING CARNIVAL
The interhouse carnival will be held tomorrow. All students should return their permission forms with the $3 payment by tomorrow morning.
Students who travel to school by bus will be dropped at the pool for this. The event finishes after lunch and students will return to school.
Lunch menu follows. Please order at the pool canteen by 9.30 to enable efficient processing.

TRANSITION TO MUNDUBBERA SECONDARY
We would like to thank the three Boynewood students, Sarah Hayes, Jessica Haigh and Aidan Taylor for coming to Mundubbera State School for the past four Thursdays as part of the Year 7 Transition Program.
They were able to participate in English, Science, Maths, Art and Library Skills classes. It has been a privilege working with them.
They were fun to be around and very helpful.
During lunchtime the visiting students were great company while the multigame competition was on. Aidan joined a team and played a round of basketball and dodge ball while Sarah played a round of dodge ball. Jessica made herself a part of handball games.
Thank you for coming to our year 7 transition program.
We look forward to seeing you next year. -by Maddy McGovern and Tiana White

The QRL Central Division is once again holding a Development Camp for players who are going to be in under 13 to 16 in 2014. The camp is an opportunity for players to develop their skills in Rugby League and work with NRL Development staff. The numbers for the camp are limited so interested players are recommended to act quickly.
The Camp will be run from the 16th to 20th of December and held at the PCYC Leadership and Development Camp at Cooee Bay (former Cooee Bay Recreational Centre).
Also at the camp there is the opportunity for Coaches to extend their knowledge and complete the Senior Club Coach Course. Coaches wishing to find out more information need to speak with their local NRL Development Officer for pre-requisites.
This year the camp will also have referees in attendance to assist with their development. The referees will be run through all facets of refereeing. The participants will work on positioning, rules of the game, healthy eating and also physical conditioning. NRL Referee Development Officers will be taking the participants through their paces.
To register players can click on the link or download the form and complete manually.
Coaches must download form and complete manually. (contact your NRL Development Officer for pre-requisites).
All enquiries can be directed to central@qrl.com.au
