**SUMMER READING CLUB IN MUNDUBBERA**

Our town library has reading club activities every school holidays and the Christmas break is no exception.

Children are invited to put on their detective caps this summer and investigate mysteries, hunt down clues and become masters of disguise.

The 2013 Summer Reading Club: **Investigation** will officially run from **Monday, 2 December 2013 to Friday, 31 January 2014**.

Led by the **State Library of Queensland**, in partnership with the **Australian Library and Information Association** (ALIA) and other state and public libraries the Australian Summer Reading Club is an annual program delivered in libraries and online that aims to encourage a continued love of reading and ongoing multi-literacy skills development amongst children and young people during the summer holidays.

Catching culprits, solving crimes, searching for clues, identifying suspects, rational thought and deductive reasoning, cliff hangers and unexpected twists are elements that make mystery, sleuth and detective and crime fiction so exciting.

As participants engage this year with classic and contemporary literature from this genre they will explore common themes inherent in such stories: “Whodunits”, mystery, intrigue, puzzle, suspense, deduction and adventure.

Activities and merchandise will encourage participants to collect data and develop their skills of observation, deduction, decoding, disguise and forming conclusions.

Mundubbera Town Library staff look forward to having children take part in their activities.
