Explicit teaching
Sue Radel has been with us for two weeks, supporting our teachers with a consistent approach to how we deliver information and skills to the students at Mundubbera. Sue’s role in our school is to coach staff in a proven methodology to help students learn. Over the past two weeks we have been looking at Lesson Goals, and Rapid Recall Routines. If your child has been talking to you more about what they have retained from their classes, this is a good indication. The theory behind the approach is to improve students’ ability to take information from their short term to long term memory. ASK YOUR CHILD TONIGHT about some key information they are learning at school.

NAPLAN testing time again
Our students in Years 3, 5, 7 and 9 will soon participate in the annual National Assessment Program – Literacy and Numeracy (NAPLAN) to assess their skills and understanding in the areas of reading, writing, language conventions (spelling, grammar and punctuation) and numeracy. The tests will be conducted in all state and non-state schools across the country from 14–16 May. An individual NAPLAN report for each child will be sent home later this year. Results provide additional feedback for parents, carers and teachers on how students are progressing in key curriculum areas. Please contact the school if you have any questions about your child participating in NAPLAN testing. Further information is available on the ACARA website. (http://www.nap.edu.au/) Help your child by preparing them early with clothes ready to go on the mornings of Tuesday to Thursday. Make sure they have had a good breakfast and are well hydrated. Your children have been well prepared and we know they will try their best.

SneezeSafe
All students in the primary school will be visited by nursing staff from the Mundubbera Hospital next Thursday. These sessions will reinforce good hygienic practices that will decrease the likelihood of getting sick throughout the upcoming flu season. Thanks to Mundubbera Hospital staff for working so closely with our school.
Big thanks to Andrew Beattie
As you would know, with the *Reds* bag and ball that came home last Thursday, Qld Rugby Union has visited our school to coach our students and share some stories. Thanks again for your continued efforts with our school.

**Road Awareness Session**
All students have been taken through road safety sessions today. This Road Awareness Program was delivered by two visiting specialists with some very impressive driving simulation equipment and comprehensive information on the responsibilities and knowledge needed for safe driving. Please discuss road awareness with your child.

**STUDENTS OF THE WEEK AND MONTH**
Congratulations to those who received awards on parade last Friday.

**MOTHERS’ DAY STALL**
Thanks to student council organisers, our students had the opportunity to purchase gifts for their mothers at school today. This is a community service activity of the student councillors who purchase and wrap the gifts, selling them for minimal profit to our students. They plan to have a similar stall for Fathers’ Day.

**SHOW THIS WEEKEND**
Please check out the pavilion sites at the show tomorrow and Saturday. Our staff and students have spent time and effort in preparing and assembling displays to show some of the great work done at our school. The show is a great example of community spirit with most organisation and management being provided by volunteers.
