From the Principal’s Desk:
We appreciate the support provided by a number of communities throughout the state who have sent donations towards our flood affected families. The most recent care packages were from West Moreton Anglican College and were personally delivered by their student, Emily on 21 June.

Welcome back to term 3
It has been great to see so many happy faces and children engaged in their class work this week. Yesterday was a great celebration of NAIDOC day and our students impressed local elders with their dance and commitment to the day. It was great to be able to sample some crocodile and kangaroo meat. Our work as teachers continues along the path of Explicit Instruction in term 3 with our commitment to ensuring we have a consistent approach to one form of lesson delivery.
Research shows that approximately 40% of the learning outcomes for students is dependent on the effectiveness of teaching, 10% is the school and 50% is related to family genetics and environment. With this in mind we will continue to do our very best to make sure our effectiveness is the best it can be.

**Nut Free School**
Reminder to all parents that we have students at Mundubbera who have significant reaction to contact with nut related products. Can I ask that all parents be aware of this fact and do not send your child to school with any nut related products in their lunches.

**Teaching and Learning Audit**
On Monday and Tuesday of week two, Ray Johnston will be attending our school to look at our Teaching and Learning practices. This is a great opportunity for staff, students and parents to discuss the good things that are happening at Mundubbera and how they are affecting student learning outcomes. Ray will be walking around at times when you may be in the school. He may ask for your view.

**Report Cards & Parent Teacher Interviews**
Reports will be mailed out at the end of week 2. This report will show progress and provide comments on your child/ren’s outcomes for semester 1. Parent teacher interviews will be at the end of term 3 and these will help inform you about term 3 progress.

- Peter Townsend.

**STEERS AND HEIFERS AT SCHOOL**
The cattle that have been generously donated for the secondary Ag Science participation in the Hoof ‘n’ Hook competition have arrived at school and are settling in well. The students will be working with these cattle over the next term, breaking them in to halter and preparing them for the competition. Thanks to the donors: Mundubbera Rotary Club, John & Lynette Kerle, John & Leonie Bourke, Narayen Station and Dave & Julie Mauger. We also have one home-bred steer, raised at school. Thanks also to Ron & Mel Loakes, Andrew & Ruth Vicary and Greg & Laura Parr for their donation of hay for this program. Community support of the program is wonderful and enables delivery of a curriculum offering not available at other schools.

**BOOK CLUB**
The book club brochures were distributed this week. Orders and payment must be received at the school office by Friday 26th July.

LIBRARY NEWS
Welcome back to all our good readers.
On the last day of Term 2 we held our Book Character parade. A lot of fun was had by everyone who attended. It was great to see so many well-known book characters. Thanks to staff, parents and students for making this day a memorable one.

Reminder: if you need new sheets for Dragon Readers, please bring the folder to the school library. Last term our students read for 24,750 minutes. Well done! This is a fantastic effort. Remember, if a library book can’t be found, a phone call or a note to the library would be greatly appreciated.

There will be a Book Fair August 19-23.
