CONGRATULATIONS TO SECONDARY WIDE BAY COMPETITORS
Well done to Shawna Pope who won the 100m and 200m sprints and came second in the 800m run as a member of the North Burnett team at the Wide Bay Athletics competition. Congratulations also go to Dawson Cross, Shanae Doessel, Storm Kolo (3rd in 800m and 4th in 200m) and Misty Tucker on their sporting achievements.

THE HPV TEAM
Last weekend, ten of our secondary students competed in the 24 hour human powered vehicle championships at the Maryborough Technology Challenge. The students were required to race their vehicle for 24 hours starting at 12pm Saturday through to 12 pm Sunday. They raced against other schools throughout Queensland. School teams came from as far north as Sarina and as far west as Emerald to compete in this event. This project helps students to bring learning to life through designing and building the vehicle, testing and modifying it and then racing it on the weekend. During the event the students needed to draw on the key foundations of the school: organisation, persistence, resilience, getting along and confidence to achieve a great result. The students finished 4th in their division, mixed juniors, which is a great result for the students and the school. A couple of impressive events occurred during the race. Tully Willson recorded the fastest lap for the team, 3 minutes and 9 seconds for the 1.5 km track and Edina Trott showed great endurance by completing 16 laps in one stint which went for 1 hour and 30 minutes pedalling on track.

As another part of the Technology Challenge, three students from year 7, Tiana White, Thomas Hansen and Amie Ryan competed in the solar-powered boat event and achieved a great result for their first year in the competition. We give a huge thank you to the parents who took their children to the event. All of this would not be possible without the help from sponsors from the town, Terry Vicary and Mark Trott. Many thanks for your time and generosity.

- Rick McGovern.
AMBULANCE VISITS PREP STUDENTS
Prep students were very excited to receive a visit from the local ambulance on Tuesday. This was a chance to learn about the good things that can help us when bad things happen.

ENROLMENT FORMS AVAILABLE
Enrolment forms are now available from the office. They have been distributed at Kindy, however there are other prospective students in the community whose parents may wish to obtain the enrolment form. Please help spread the information if you know of someone who needs to know.

STUDENT ABSENCES
There is a high number of unexplained student absences across the school. Please send in a note or notify the school office if your child is absent. Prior notice of planned absences is appreciated.

LOST PROPERTY
There is a considerable number of “lost” items stored in the cupboard in the primary undercover area. These include jumpers, lunchboxes, water bottles and hats. Unfortunately many of these are un-named. If your child is missing any items, please encourage them to check the cupboard as such items are periodically collected from where they have been left eg port racks, lunch area or playground.

HOOF ‘N’ HOOK INVITATION
There will be a display of Hoof ‘n’ Hook beasts on Tuesday 8 October at 1.30pm at the school cattle yards. Anyone interested is invited to visit and see how well the students have done in preparing the animals for the competition in Nanango on 9 to 11 October.

YOU CAN DO IT —GETTING ALONG
Year 1 students visited Prep class as part of our YCDI Gabby get along unit. The focus was on how to share and get along with others, very valuable life skills.
