MUSIC, COUNT US IN
All students will take part in the national simultaneous singing activity next Thursday morning at 10.30.
Please join us at Mundubbera’s Pioneer Place in front of the town library as the band performs and students sing “Paint You a Song”.

YEAR 10 CAMP
Year 10 students are enjoying their camp at Luther Heights at Coolum. This involves personal development “challenge” activities as well as other educational components.

INVOICES
Invoices have again been posted to those who have not yet paid relevant fees and levies.
HOOF ‘N’ HOOK
Congratulations to the students involved in the Hoof & Hook competition held in Maleny last week. The competition involved approximately 160 students from 13 schools and over 45 head of cattle. Issi Kassulke placed 2nd in the year 10 Novice Junior Handler competition. In the year 10 Novice Junior Judging competition Misty Tucker placed 1st, Ben Jacobi placed 2nd and Rebecca Augustine placed 3rd out of about 35 students.
We received a 5th on the hoof for Narayen in the medium weight class. We are still eagerly waiting to receive the feedback and placings for the cattle on the hook.
A huge thank you must go to all the community members who donated the cattle, the Bendigo Bank and Rob Watt for transporting the cattle and helping out throughout the competition, the Vicary family and Chris Schloss for washing our awesome looking team shirts, Steven Crofts for once again driving us around in the bus, all others who have assisted in any way and of course Wally Ford whose commitment makes this program the success that it is.

INSTRUMENTAL MUSIC NEWS
Gig Guide:
6th November  Awards Night  4th December  Carols Night

Continuing next year?
Please return slips indicating your intentions for 2015 to the office as soon as possible.
Has your child hired a school instrument this year?
Each student currently hiring a school instrument has received information regarding the purchasing of an instrument for 2015. If your child has not received this information, please contact the school office.

Recruiting
Recruiting for 2015 commenced last Friday with a demonstration of instruments for current year 3 and 4 students. Students were provided with a letter outlining what’s involved in the program and how to join. Students from grades 3 – 5 interested in joining the program next year are asked to return the “expression of interest” form by tomorrow, Friday 24th October. Extra forms are available from the office. Parents who would like more information are welcome to contact Kirsty McGovern.
DENTAL VAN
The dental van is now in operation at our school. Several students have taken advantage of the service. Please ensure permission forms have been returned to enable your child to attend the van.

PRIMARY SWIMMING
The swimming program will commence on 11th November. The P & C has subsidised transport expenses, however there remains a total of $5 per child payable for the swimming bus. Students will also need to pay the pool admission charge if they do not have season passes. Information and forms will be distributed soon. It is expected that all primary students will participate in the lessons.

PRIMARY SWIMMING CARNIVALS
Carnivals will be held on 21st November (Interhouse and District Carnival) and 28th November (North Burnett Zone Carnival). Assistance is needed with both events. If any parents or community members are available to help with time-keeping and organisation, please contact Lisa Whelan.

LIFE EDUCATION
The Life Education van and educator will be presenting lessons to students in Prep to year 7 in the week of 7th to 13th November. Attendance cost is being paid by the P & C. Payment envelopes were distributed last week and can now be used for donations or purchase of promotional items instead of the attendance charge.

BALL GAMES CARNIVAL
Congratulations to all participants in last Friday’s carnival and particularly to victorious O’Regan house.
PREP ORIENTATION DAYS
Orientation sessions for next year’s Prep students are being held on Fridays from 9am to 11am until end of November. This will give those students a feel for class at this school. It would be appreciated if completed enrolment forms could be returned to school soon.

Applying for grants can be a competitive process due to the limited pool of funds available and the number of organisations seeking support. Each grant also has its own funding criteria and requirements that need to be carefully considered to ensure your organisation’s project is suitable. Improving your skills in order to prepare applications for grants can mean the difference between getting a grant or missing out. Participants in this workshop will gain practical, first-hand knowledge on how to write grant applications, where to look for funding, and how to budget correctly. Participants will be provided with real life examples to ensure the best chance of a successful outcome when writing grant applications.
Registrations close: Wednesday 29 October 2014

Even though this workshop is being facilitated by the Sports and Recreation Services the information gained at this session will be beneficial to all groups, organizations and individuals wanting to apply for grants.
