CORRECTION

There was an error in the previous records listed in the newsletter last Thursday. The record for 100m open freestyle was held by Sharon Radke (Parr) from 1985 until Shawna Pope broke it this year. Our apologies to Sharon and her sister Suzann for the mistake.

TUCKSHOP REQUEST
Tuckshop workers have requested the following processes to allow efficient and timely processing of orders:
- Separate order packets should be used for little and big lunch—write the order for little lunch on one packet and the order for big lunch on another. The packets are used in the delivery.
- Please do not staple the packets or wrap the money in tape. If the packet is folded several times, it contains the money well. Alternatively you may wish to enclose the packet in a plastic ziplock bag with the money if you are concerned about slippage.
- Please remember that ice blocks are not available at little lunch.

Take your first step into “event specific” athletics coaching!

All practical…No exam…No previous experience necessary!

Are you interested in helping kids learn more about athletics? The ITC course is delivered by Little Athletics Qld and is specifically designed for parents, beginner coaches, teachers and other interested people who want to coach/teach beginner athletics. It is an “event specific” track and field course designed to give people the ability and confidence to coach basic level athletics to children aged 5-15 years. You will be taught how to introduce and teach beginners the proper skills of each event. The majority of the course is low intensity practical/physical activity, with some theory. It has been found in the past, that to actually “see and do a skill” proves more beneficial than theory alone. The course topics are: Coaching Young Athletes, Warm Up, Running, Relays, Hurdles, Walks, Shot Put (standing), Discus (standing), Javelin (3-step), High Jump (scissors), Long Jump and Triple Jump.

Please be prepared for activity: shoes, water, hat
