ANZAC DAY TOMORROW

Tomorrow is ANZAC Day and a public holiday. Students are encouraged to take part in the community service at Mundubbera Town Hall from 10.30am, followed by a brief march to the monument for the wreath ceremony. All students participated in an ANZAC ceremony at school today. We thank RSL representatives David Roach, John Ogden, James Callanan and Neville Hastings for their participation and their contributions, both past and present, to our community.

CONGRATULATIONS TO BRITTANY

Congratulations to Brittany Kugel who was selected as the Member for Callide in this year’s YMCA Youth Parliament. Brittany took part in an orientation weekend in Brisbane over the holidays, including a ceremony at the Queensland Parliamentary Annex. She will be taking part in a series of activities through the next 5 months, culminating in a parliamentary debate and speakers’ event in September. Well done, Brittany. This will be a great leadership and educational activity.
CONGRATULATIONS TO BRITTANY

OUTSTANDING LEVIES
Statements for outstanding levies will be mailed home shortly. It would be appreciated if these could be paid. If you wish to discuss a payment plan, please call into the office or phone Lyn Serisier.
Mundubbera School is now registered with Centrelink which means you are able to make arrangements with Centrelink to have an amount you choose deducted each fortnight and they will pass this on to the school for payment of fees. If you would like to do this, please call in to the school office to complete the necessary form for Centrelink.

YEAR 9 AND 10 LAPTOP PROGRAM
Issuing of laptop computers to Year 9 students has commenced. I need to remind parents that the following requirements must be met before laptops can be issued:
- Laptop fees for 2014 should be paid. Parents can pay by instalments (term in advance)
- School fees need to be paid—or a payment plan entered into (refer to article above)
- Attendance at an induction meeting for first time parents of participants.
Parents of Year 10 students are reminded that it is a condition of the laptop program that the laptop hire and insurance levies and school fees are paid. Should parents wish to know what is owing, please contact the office.

PROJECT CONSENT FORMS
All primary students received consent forms last term for completion and return. These will enable photos and names to be publicised as authorised in the forms. You have the option of limiting consent if you wish. Should no consent form be received, we will be unable to authorise newspaper or other media photos of those children.

beyondblue is pleased to announce the release of a new guide for parents and families of young people who are lesbian, gay, bisexual (LGB), gender diverse or who are questioning their sexuality or gender identity. The multimedia guide, Families like mine, aims to support parents and families to help reduce discrimination and promote an inclusive environment for LGB, gender-diverse and questioning young people, which is protective of mental health and reduces the risk of suicide. The guide can be found online at: www.beyondblue.org.au/familieslikemine and can be printed or downloaded.

It gives parents and families information on:

- evidence about the impact discrimination has on mental health for same or both-sex attracted, and gender diverse communities
- the importance of inclusion for people’s mental health and wellbeing
- safe and supportive family environments as a protective factor for reducing suicide risk
- understanding gender and sexuality as part of everyone’s identity
- keeping their child or loved one safe; including suicide prevention information links and resources.

The guide features video clips of LGB and gender-diverse people, as well as interviews with family members talking about the importance of family support when a young person comes out as sexually or gender diverse. The interviews include insights from personal experiences and advice to people who may find themselves in a similar situation. The films can also be accessed via YouTube at www.beyondblue.org.au/families-like-mine-videos.
