ANZAC DAY

*Well done* to all who participated in the Mundubbera Community ANZAC service last Friday. The band and choir performed beautifully and school leaders Brittany Kugel and Misty Tucker spoke well as part of the official ceremony in the town hall. Thanks to all students and teachers who marched to represent our school at this significant community event.

NEW FACILITIES

Thanks to the P & C, we have a vastly improved canteen and activity area near the junior playground and a refurbished tuckshop with more bench space and improved equipment. This will be wonderful for those canteen workers who have experienced the frustrations on sports and tuckshop days. This will also mean that those who have been doing so will no longer need to do extra preparations at home due to the previous space and equipment restrictions. Many thanks to those workers for their efforts and to Ros and everyone involved for their work getting these projects through to completion. These are significant improvements that have been long-term goals.

WIDE BAY PRIMARY TOUCH CARNIVAL

Congratulations to Zanniece West-Perry, Nicola Thorburn, Brittany Parr and Western Wendt on their participation in the North Burnett Touch Football team at the Wide Bay Carnival last week. Their teams had mixed results but all four played very well.

NORTH BURNETT CROSS COUNTRY

Good luck to all students competing in cross country tomorrow in Gayndah. Those travelling by bus will need to be at school to have the roll marked by 7.15, ready to leave at 7.30.

EMAILED INVOICES

As part of the computerised finance system, invoices are automatically emailed to those who have their address registered. This means that when sporting or other invoices are generated in bulk for all eligible students, parents receive the emailed invoice. Please note that if students are not planning to participate in such events, the invoice need not be paid and will be cancelled after the event.
