JUST DESSERTS, JUST FANTASTIC
A busy twelve weeks of intense preparation culminated in two terrific presentations last Friday and Saturday nights. Actors, directors, stage hands, costume department, sound and light technicians, band, props, set designers and all others involved have many reasons to be proud of this great community event. Congratulations and thank you to all involved with the school musical preparations and performances.
SHOW HOLIDAY TOMORROW
The Mundubbera Show is on tomorrow and Saturday. We look forward to seeing great results from student and family entries in the many competitions and displays. Thanks to all involved in creating this wonderful social opportunity in our community.

SECONDARY STATE SPORTING COMPETITIONS
Congratulations to Dawson Cross on his membership of the Wide Bay Rugby League team at State competition last week. Good luck to Misty Tucker who is currently competing in State Volleyball competition as a member of the U/15 Wide Bay girls’ team.

NORTH BURNETT CROSS COUNTRY
Last Friday was a great day for Mundubbera State school athletes in Gayndah despite the weather, with some great results. Well done to all competitors on their performances and behaviour. Results are shown below.
We extend a huge thank you to Donna Gardner, Charmaine Sharp, Steven Cupitt, Brenton Duggan and Jayden Starkey for their help as course officials during the day. We would also like to thank Mr Webb for giving his time to train the primary students on Tuesday mornings. This training will continue and the secondary place getters are welcome to join in. See Mr Webb for details.

PRIMARY WINTER CARNIVAL
We wish the rugby league, soccer and tennis players all the best as they compete today and tomorrow at Winter Carnival. We look forward to hearing competition results next week.

SECONDARY STUDENT LAPTOPS
A second Student Laptop meeting (for year 9 parents) is being held on Monday 12th May at the school at 5.30pm in the library. The meeting will be over by 6pm and is for those parents who have not yet attended an orientation meeting regarding the laptop program.

FORMAL UNIFORM DAY
Year 10 students now have a formal uniform to be worn on Mondays and special occasions. School leaders have recently worn theirs with distinction at Investiture and ANZAC Day ceremonies and a school forum.
All students in year 10 should wear the formal uniform each Monday.
Q FEVER
Secondary Ag Science students received an information letter on Q Fever earlier this week.
If you have any queries, please contact Nicole Evans at school.

SECOND HAND UNIFORMS WANTED
There are occasional requests for second hand uniforms and now that the weather is cooler, uniform jackets and pants are in demand.
If you have any suitable clothing available, either donated or for sale, please forward it to the school office, marked with name and price or donation advice.
All assistance is greatly appreciated.

MOTHERS’ DAY STALL
Thanks to student council for running their stall yesterday. We trust all Mums will be happy with gifts received on Sunday.
Happy Mothers’ Day to all.

SECONDARY LOCKERS
Student Council has purchased 30 lockers for use by secondary students. These were ordered at the end of last year and have now arrived.
There will be a hire fee with funds going towards maintenance and extension of the locker program.
Information and application forms will be distributed next week. Year 10 students will have first offer of locker use.

CRAFT CLUB
Craft club is held each Wednesday lunchtime at 12.50pm in the Prep room.
All interested students may attend. Bookmarks were created yesterday.
Different activities each week will be: wooden fridge magnets; colour reveal pictures; shrinkles; paper plate craft; masks and magic wands.

Thanks for the great work at *Just Desserts*

Children’s brain development is linked to physical fitness
Science Daily reported that researchers have found that 9 and 10 year old children tend to perform better on memory tests if they are physically fit. A study of 49 children used MRI scans and focused on the hippocampus (rather like your brain’s library). The children’s fitness levels were judged by measuring their oxygen usage while on a treadmill, revealing that fitter children have a larger hippocampus and, as a result, better relational memories.
PEDESTRIAN CROSSINGS INFORMATION FOR MOTORISTS
As adult motorists we must be aware that children can possess little or no road sense. Children are unpredictable, quick to act, can be difficult to see and do act on impulse. Please take care and slow down when driving past schools, paying particular attention around school crossings.

The law is clear when it comes to pedestrian crossings.

A driver MUST GIVE WAY to any pedestrian on a pedestrian crossing and MUST NOT PROCEED until there is NO PEDESTRIAN ON or ENTERING the crossing

A pedestrian crossing is an area of a road -
- At a place with white stripes on the road surface that –
- Run lengthwise along the road; and
- Are of approximately the same length; and
- Are approximately parallel to each other; and
- Are in a row that extends completely, or partly across the road; and with or without either or both of the following –
- A pedestrian crossing sign;
- Alternating flashing twin yellow lights

Please be cautious.
