EXCURSION TO BUNDABERG

Students in years 6 and 7 enjoyed an excursion with a difference yesterday. They travelled by bus to Bundaberg to participate in a recording session at ABC radio. This was part of the Australian War Memorial’s Soundscape project, recording names and ages of veterans. The recordings will later form part of the display in Canberra. Students also enjoyed a guided tour of the Bundaberg Barrel, incorporating historic and scientific displays and including taste tests of some brewed soft drinks. A picnic lunch and free exercise time at Lake Ellen Heritage Park were a welcome break in the busy day.

BOOK WEEK NEXT WEEK

Primary students are invited to take part in a range of organised activities next week to celebrate a Fairy Tale themed book week. This will culminate in a dress up parade on Friday 27th June at about 8.45am. Students are welcome to dress up in theme for the parade and bring other suitable clothing for later if necessary. Parents and friends are very welcome to attend what is expected to be a very colourful and interesting parade.
AWARDS
Congratulations to students of the week and dragon readers who received their awards last Friday.

Well done to Jenny Roach who won first prize in the local council library Queensland Day competition.
SCHOOL PHOTOS
Our school photo day is **next Tuesday** 24th June. We have sent home order envelopes from MSP Photography. Please follow the instructions to enable efficient photography sessions and ordering.

- Don’t seal envelopes inside each other. You can pay for all children in one envelope however each child needs to have their own envelope with them on photo day.
- Family envelopes are available at the school office upon request
- Please enclose correct money as no change is given by the photographer and the school has very limited change. Cash, cheques and money orders only (sorry, no credit cards accepted)
- The orders should be handed to the photographer, rather than the school office.

Students are encouraged to wear their best uniform on photo day. Year 10 students should wear their formal uniform and may bring a regular uniform to change into after photos if they wish.
Jumpers will be removed for photos and can be put back on afterwards if necessary.

It was a cold and chilly morning yesterday when our year 6 & 7 students left at 6:30am and travelled to Bundaberg with Mrs Eisel, Ms O’Kelly, Mr Webb, Mrs Tucker and Ms Karie. Thirty-nine students and four of the staff were driven by Ann in a lovely warm bus from Stormridge bus lines. The bus stopped at Zonhoven Park in Gayndah to meet Mrs Eisel, pick up some hot coffee drinks for the teachers and collect some movies to watch on the bus.

We watched “Cloudy with a Chance of Meatballs 2” on the way to Bundaberg. The park opposite CQU and the airport was where we had morning tea, a toilet stop and a chase of Ms O’Kelly’s Frisbee. We were excited to get our tours started so we departed for the Bundaberg Barrel. Our one hour tour included taste testing, a holographic show and tour where we listened to little devices. The tour provided a history of how ginger beer was first made and the changes made to its current procedure. We loved tasting all 14 different varieties made today.

Lunch was from Subway and our orders were packaged into individual boxes. It was a welcomed feed and after a run around Lake Ellen Heritage Park, we were off in the bus again to the ABC Wide Bay studio. All students were excited, knowing they were going to be involved in a large part of an ANZAC centenary celebration.

Our school won an opportunity to be involved in a joint project between ABC radio and the Australian War Memorial in Canberra. We were given 50 of more than 60 000 veteran names which were then allocated to students to rehearse ready for recording.

It was super exciting to be sitting in a real recording studio. Mr Peddlesden, from the ABC, gave students tips and hints for recording on radio and then one by one we filed into the recording room, recorded our veteran’s name and left the studio.

Our voice recordings will now be tidied up and sent through to the War Memorial in Canberra. All other schools from around Australia, lucky enough to be involved in this project, will have their recordings collated and together the names will be placed with the Centenary project. This project will begin playing on August 18, 2014 and will continue for the next four years.

After our recordings, we made our way back to the bus and headed home. We made a quick stop at the CQU park where we all posed for a group photo. We watched another movie on the way home but we were all looking forward to getting back to Mundubbera. We had a quick stop in Gayndah, said goodbye to Mrs Eisel and arrived back at the school by 5:30pm. We were all extremely tired but the big football game kept some of us awake until late last night.

“I didn’t like some of the drinks they gave us to taste.” – Darcy Lawson
“I was excited about going to the Bundy Barrel and tasting 14 different softdrinks. I liked all the flavours.” – Charlotte Allen
“The subway was also awesome at Lake Ellen Heritage Park.” – Ali Kassulke
“I like everything about it.” – Nicola Thorburn
“I was disappointed with the Bundaberg Beer factory because we didn’t get to see the actual factory.” – Bridie Emmerton
