CONGRATULATIONS MISTY
Misty Tucker received the Pierre de Coubertin Award at a ceremony in Brisbane on 12th July. This is a program of the Queensland Olympic Council and has been operating since 1995, awarding selected noteworthy sporting secondary students nominated by their school. Misty took part in a leadership workshop and focus groups with Olympians during the event and was happy to have her photo taken with Olympians including gold medallist Natalie Cook.

WELL DONE SHAWNA

THANKS FOR THE CREATIVITY
Thanks to our groundsman, Mr Crofts for his four days of back-aching work, putting together the new environmental area and yarning circle near Prep. It looks great. Thanks also to Mrs Enchelmaier and James’ Sawmill for sourcing the wood, Ms Harris for organisation and Malcolm Brown Snr and Julie Tucker for their artistic painting of the “yarning” stumps.
This area has been designed as a relaxing social area in the playground and will be officially opened tomorrow.

CRAFT CLUB
Craft club is returning for Term 2 with exciting activities each week, Wednesday lunchtimes in the Prep room.
There was NAIDOC craft yesterday and wands will be created next week. After that, there will be pom pom peg caterpillars, paper bag puppets, paper plate spacecraft, bead bands, mini posters, decorated pots and charcoal art. Thanks to the organisers and helpers who work with craft club.

SANDWICHES PLEASE
Please ensure that your child has sufficient food for morning tea and lunch at school. Students are much hungrier in the cooler weather and definitely need more than a couple of snack items to get them through the day. The office has recently experienced a rush of students requesting emergency lunch sandwiches. Please check with your children regarding the adequacy of their lunch provision. In some cases students themselves are responsible for preparations. If this is the case, please monitor them as the school cannot supply lunches.
