NAIDOC CELEBRATIONS
Thanks to all involved with the NAIDOC ceremony and Yarning Circle opening last Thursday. The stump circle is very colourful thanks to artists Malcolm Brown Snr, Julie Tucker and students. Malcolm Brown Snr cut the ribbon across the circle of painted stumps and we thank Mrs Kirsten Gagen for her book-reading and demonstration of clap sticks, boomerangs and cutting stones. Primary students enjoyed listening to stories while using this outdoor area. We look forward to further developments in the nearby garden.

FREE DRESS DAY TODAY
The free dress day planned for tomorrow was changed to today so that district athletes could take part. Thanks to all for their enthusiastic participation. All funds raised will go towards paediatric cancer relief.

CONGRATULATIONS TO LAST WEEK’S AWARD RECIPIENTS
STUDENT REPORTS
End of Semester 1 reports were issued yesterday. The majority of them were emailed however some reports are being posted or handed to students today. Unfortunately some year 9 reports were emailed without Maths results due to a system failure. These reports were emailed again, so parents of year 9 students are urged to check that they have downloaded the current version. If reports are not received either by mail or email, please contact the school office.

READING BUGS
The Reading Bug club has commenced at school. Every Monday, Tuesday and Wednesday afternoon, commencing at 2.15pm, parents and friends are invited to visit the Prep room, select an appropriate book and have fun reading aloud with children. It is important to read aloud to children every day even when they are old enough to read to themselves. It is socially, emotionally and academically valuable.

FIRE DISPLAY
Mundubbera Fire & Rescue Service demonstrated a kitchen fire display and response for students on Monday. They used the regional demonstration trailer for this very effective and thought-provoking activity. Awareness of fire safety, the ease of combustion and the speed at which fire spreads is important knowledge for all community members.

NATIONAL TREE DAY
Twenty trees will be planted at school to mark National Tree Day tomorrow. Thanks to Mr Crofts for researching suitable species, planning and preparing the tree sites. Students will be involved with the planting activities.

STATE AND NATIONAL ATHLETES
Well done to Matthew Duffin and Sophie Zipf who competed in State Primary School cross country championships in Brisbane last Friday and Saturday. Sophie gained 13th place and Matthew was 44th, good achievements against the best runners in the state.

CONGRATULATIONS TO TAYLEIGH FRY-ALLAN
Tayleigh is competing at the National Swimming Championships in Melbourne. On Tuesday she gained 3rd place in the 100m breaststroke and is yet to compete in the relay. This is a wonderful achievement against the most highly trained swimmers in Australia. Well done indeed to Tayleigh, her family and trainer.
CONGRATULATIONS AND GOOD LUCK TO BOWLING CHAMPS
Well done to Brittany Wiley who won the Ladies Competition Club Champion of Champions – winning 2 out of 3 games. Brittany missed out on a count back by 2 points on selection for Zone.
Tomorrow she and Emily Sheppard will compete in the all school challenge final.

AUSKICK
Auskick program has commenced for 8 weekly sessions during lunch time on a Thursday. Further information is included in this newsletter regarding registration and participation.

CRAFT CLUB
Craft club is returning for Term 2 with exciting activities each week at Wednesday lunchtimes in the Prep room.
Following is a list of planned projects: pom pom peg caterpillars, paper bag puppets, paper plate spacecraft, bead bands, mini posters, decorated pots and charcoal art.
Thanks to the organisers and helpers who work with craft club.

THE GOLD SHOW
The Gold Show will be visiting our school on Tuesday 19 August. This is not an Arts Council performance but is a separate educational session from 9.30 to 2.30 and involves our students in the performance. It is designed to increase student knowledge of gold mining in Australia, while encouraging their creative and imaginative talents.
This visit is being subsidised by a special grant, keeping the cost to $6 per primary student and $8 for those in years 7 to 10.
Payment must be received by 1st August to enable planning and logistics. Your support of this great educational opportunity by forwarding early payment would be greatly appreciated.

DEVELOPMENTS THANKS TO P & C
Thanks to hard work and funding commitments, the school tuckshop has been upgraded to improve the catering facilities, enabling volunteers to work in an improved space.
The outdoor catering area has also been upgraded with benches, storage, power and shelter. This is a great improvement for sports catering as well as some student outdoor class activities.
Those who attended the last P & C meeting were thrilled to receive the news of a successful grant application for a 4 bay storage shed near the hall. This will be a combined administration and sports storage area, enabling much more efficient use of other areas at the school that have been overtaken by equipment and archive materials. We look forward to the construction of this shed, with a gaming fund community benefit grant and partial funding by P & C.
