AUSTRALIA ZOO EXCURSION

Friday October 9 saw 110 students and 26 adults travel to Beerwah to explore Australia Zoo. CRIKEY! What a day. We were all excited and extremely enthusiastic for what lay ahead. We saw lots of animals, enclosures, zoo keepers and new experiences.

Our trip home was more sedate than the journey in the morning. We were all exhausted but still smiling and eager to share our stories with our families. We can’t wait until we can visit again.

PUPIL-FREE DAY NEXT MONDAY
There will be no school for students next Monday as it is a pupil-free day and teachers will be undertaking professional development activities.
GOOD LUCK SOPHIE and SHAWNA
Best wishes to Sophie Zipf who is currently competing as a member of the Wide Bay Athletics team in Townsville and will play in the Wide Bay Cricket team at State competition in Brisbane from 25th to 28th October.
Good luck also to Shawna Pope who will represent Wide Bay at the State Athletics competition in Brisbane from 22nd to 25th October.
We hope your efforts are rewarded with success at this high level of competition.

PHILMAC PROJECT
The school is entered in an online “competition” for grant funding through the Philmac Project. Please go on-line at http://www.philmacproject.com.au/entry/9593544 and “like” our project to assist towards our possible funding. We need a lot more “likes” to get us over the line so please encourage your friends to vote as well.

TOTEM POLE ART

Thanks to visiting artist, Goombalah for his two days of wonderful artistic contribution to our school’s totem poles.

Students have been painting under the artist’s guidance with the results permanently displayed in the school’s Totem garden area near the lower primary classrooms.

This garden is an extension of the yarning circle installed last year.

We thank sponsors and supporters of this great educational program.

FETE
All secondary students are asked to assist with the running of a stall at the Fete. To facilitate this, students are asked to nominate a time that they are able to assist, usually a half hour slot. COACHING COURSE—Coaching Juniors, The Waves Sports Club Bundaberg
Saturday 7 November 2015 9:00am–12:00pm
Who will be the next Tiger Woods, Michael Jordan or Venus Williams? There is a certain mystique about talented athletes, and we recognise it is not an easy path to elite success with few achieving their dream. However, the role you play as a coach for all athletes, particularly young athletes, will not only contribute to their overall development but more importantly their desire to maintain an active, healthy lifestyle throughout life. The goals should be to encourage healthy activity for inactive kids, teach life skills, develop a long-term enjoyment of sport and give naturally gifted athletes the tools that will help them perform at an elite level. Kids who are streamlined into a single sport early in life are robbed of more varied experiences critical to developing overall athleticism. A lower athletic base ultimately limits their sport-specific improvement potential and can lead to burnout. The focus should be on helping young athletes develop skills they will draw on at an older age when they are actually ready to capitalise on sport specialisation. This workshop will explore all the challenges today’s coach faces when working with young athletes.
Presenter: Chris Weier, Fitnance
Cost: All workshops are free - bookings are essential
