HOOF ‘N’ HOOK

Last week 15 students and 6 head of cattle travelled to Maryborough to compete in this year’s Hoof & Hook competition. There were 170 students and around 70 head of cattle from 15 schools involved in the competition. Our school achieved the following results so far with only the final hook places to be finalised. Romeo donated by the Sharp Family came 3rd in the Medium weight and CC, a school bred steer placed 6th in the Heavy weight.

In the junior handlers for the year 9 experienced class Sarah Hayes was 1st and Blake Jackson was 2nd with Sarah achieving Reserve Champion handler out of all 170 students. In the year 9 novice handler class Natalie Kassulke placed 3rd. In the year 10 novice class Felicity Sharp placed 3rd and Andre Moorrees placed 5th. In the years 7 & 8 handler class Josh Sharp placed 3rd.

On Friday the students competed in Junior Judging. Blake Jackson was 4th in the year 9 experience class. Jess Haigh was 2nd and Roanna Trott 6th in the year 9 Novice class. In the year 7&8 class Josh Sharp received 3rd place.

A huge thank you must be given to our Steer Donors, the Bendigo Bank and everyone else who helped our team achieve such great results this year.
LIFE EDUCATION
Primary students have enjoyed visiting the Life Ed van this week. Harold products can be ordered with orders and payment due at the school office tomorrow. Ordered products will be received at a later date.

I like the Life Education. When we got there we saw Ms Kathy and of course Healthy Harold. We got 2 stickers and a book.

TRACE MELLERS

Life Education is about being healthy. Harold is a giraffe. Kathy is a nice lady.

ISABELL PACKHAM

Today the class went to the fabulous Life Education van. Harold the giraffe appeared from downstairs. I was amused when Harold the giraffe appeared. I felt lethargic after the pretend running. I liked the bit where Possum giggled on the little show.

COOPER TEBBIT

In Life Education we met Kathy, Harold the giraffe and Possum. Harold is spectacular, kind and friendly. We talked about good foods, bad foods, being kind and nice.

MADDISON SPARROW

Today I went to the Life Education van. We talked about good food and bad food. Also we saw Harold the giraffe and Possum. Harold taught us how to be safe as well.

KADE BEUTEL

We went to the Life Education van today. Harold is so mischievous and amazing. I really do want to live with them.

KATE LOAKES

CONGRATULATIONS RAYMOND
Well done Raymond Loakes who blitzed the field to win the Duke of Gayndah Fun Run—Men’s section on 17th October. This was a very impressive run up and down the hilly streets in Gayndah, showing Raymond’s determination and commitment to training and sporting participation. Spectators were concerned that Ray’s early lead may be lost during the later stages of the race but he proved them wrong.

PRIMARY SWIMMING TIMETABLE
Primary swimming lessons will commence on Tuesday 17th November. Due to our large class sizes and to ensure the safety of our children we invite parents helpers to join us both in the water or on pool deck.

If you are able to hop in the water you will shadow teach with one of our staff members. This is especially beneficial to our struggling swimmers as it provides more time in water.

If you are not a water baby and prefer dry feet you can also help us by providing supervision and support from the pool deck.

Our ten day program is designed to provide students with an introduction to swim safety and to improve on their swimming ability. Many students will require extra lessons or practice with their parents to become proficient swimmers.

Please remember KIDS ALIVE DO THE FIVE (Fence the Pool, Shut the Gate, Learn to swim, It’s great, Supervise, Watch your Mate and learn how to resuscitate.)
Timetables are included in this newsletter.
Subject Selection (Years 9 and 10 2016)
Parents are advised that students in Years 8 and 9 have been issued with Subject Selection forms for 2016.
2016 is an exciting year for the school as we expect to be reinstated with RTO status, allowing us to deliver Certificates in Business, IT, Agrifoods and Rural Operations.
I have taken the time to explain the subject selection to Year 8 and 9 students, but invite any parents to contact myself or subject teachers if they have any questions. It is important to remember when selecting elective subjects, there is usually a financial commitment, as well some requirements often around participation and Workplace Health and Safety.
To this end I have included a brief outline of these requirements with the selection sheet. Please take the time to read these before completing the form.
Subject Selections should be back to the office by Monday.

COACHING COURSE—Coaching Juniors, The Waves Sports Club Bundaberg
Saturday 7 November 2015 9:00am–12:00pm
Who will be the next Tiger Woods, Michael Jordan or Venus Williams? There is a certain mystique about talented athletes, and we recognise it is not an easy path to elite success with few achieving their dream. However, the role you play as a coach for all athletes, particularly young athletes, will not only contribute to their overall development but more importantly their desire to maintain an active, healthy lifestyle throughout life. The goals should be to encourage healthy activity for inactive kids, teach life skills, develop a long-term enjoyment of sport and give naturally gifted athletes the tools that will help them perform at an elite level. Kids who are streamlined into a single sport early in life are robbed of more varied experiences critical to developing overall athleticism. A lower athletic base ultimately limits their sport-specific improvement potential and can lead to burnout. The focus should be on helping young athletes develop skills they will draw on at an older age when they are actually ready to capitalise on sport specialisation. This workshop will explore all the challenges today’s coach faces when working with young athletes.
Presenter: Chris Weier, Fitnance
Cost: All workshops are free - bookings are essential

A GREAT FETE

Our fete was a great success thanks to organisers, donors, supporters, workers and participants.

The weather was obliging and children had a great time on the rides and slides as well as playing a variety of games organised by teachers and classmates.

The band and choir performed beautifully and are a credit to their teachers and supportive parents. Thanks to those students and teachers for their commitment to music.

The balloon workshop attracted a lot of interest with many artistic balloon creations being carried around all night. The big black balloon spiders saw a long queue of eager recipients.

Thanks to all donors to stalls. The cent sale table offered a wonderful array of prizes and the book and toy exchange gave some great choices. Naturally the cake stall attracted keen customers and we must thank the caterers for their wonderful offerings and hard work.

Belinda Clark was the winner of the Cow Pat Lotto, an interesting lucky guess competition.
After a 4 way tie in the cattle weight guessing competition, Raymond Loakes won the guess-off.

There were 11 prizes in the multi-draw raffle with winners being: Nikkita Parsons, Thelma Meyer, Faye Whelan, Ellen Wernecke (twice), Alison Shute, Cecil Schiffke, Pauline Allen, Colleen Benham, Kiana Watt and Julie Mauger.

The Oktoberfest was enjoyed by a dedicated group who danced into the night, thanks to entertainment provided by Brett Clark.

Community support of the school fete is greatly appreciated as profits from this event go towards school resources.

We look forward to your support of the school Carol’s Night on Thursday 3rd December. This will include a multi-draw raffle for which P & C would be very happy to receive donations.
