AUSTRALIA ZOO EXCURSION TOMORROW
The bus departs at 5am tomorrow with an expected return time of 8pm. This should be a fun and educational day out for our Years 1 to 6 students and their support team.

FETE / OKTOBERFEST 24th October
Thanks to those who attended the P & C meeting at the end of last term, joining discussions about event planning. This is expected to be a great social event. Stalls at the fete will be located under the secondary covered area and the Oktoberfest celebration section will be near the library. The Rides & Slides will be located in the car park area. Rides will cost $5 each on the night or unlimited ride tickets are available from the school office until 23rd October at $27 or at the fete for $32. There will be a variety of food available including hot chips, barbecue, desserts and a German meal. If you are available to assist with catering, please call Ros Kugel at work 4165 4613. Plans and preparations are well in hand but assistance would be appreciated. Classes will be running fundraising stalls as part of the fete. Donations towards stalls would be welcomed.
A new (never before tried) stall will be the toy exchange. This receives donations of good quality pre-loved toys for sale to keen buyers. If your toy cupboard or book shelf is overflowing, please send in appropriate stock for this stall. Donations of pot plants or suitable prizes for the multi-draw raffle, cent sale table or craft stall would also be great. There will also be a cake stall for those who wish to cook and donate to or purchase from. There will be more activities and entertainment at the fete and we look forward to community participation.

PHILMAC PROJECT
The school is entered in an online “competition” for grant funding through the Philmac Project. Please go on-line at http://www.philmacproject.com.au/entry/9593544 and “like” our project to assist towards our possible funding. We need a lot more “likes” to get us over the line so please encourage your friends to vote as well.
SNOW WHITE AND THE SEVEN JOCKEYS DVD
A DVD of the recent lower primary musical entertainment event is available for $5. Please order and pay at the school office.

TRICKY TOPICS
The Tricky Topics discussion evening was very interesting and we have now arranged for 2 follow-up information evenings.
Information for parents of children in years 5 and 6 from 6pm on 19th October.
Information for parents of children in years 7 to 10 from 6pm on 26th October.

BURNETT STATE COLLEGE INFORMATION SESSION
Burnett State College staff will visit and talk to Year 10 Students and their parents on Wednesday 14th October at 5pm in “I” block. This will be a good opportunity for next year’s year 11 students to consider options.

YEAR 6 TO 7 TRANSITION INFORMATION SESSION
There will be an information session on 19th November from 5.30pm in the school library. Year 6 parents and students should attend to gain relevant information from Peter Townsend, John Balshaw and Jane Carrol.

SECONDARY MATHS TUTORING
Due to another meeting, there will be no Maths tutoring next Monday. Tutoring will resume on 26th as 19th is a pupil-free day.

COME ‘N’ SEE THE HOOF N HOOK CATTLE
The Hoof ‘n’ Hook excursion is from 21st to 23rd October, travelling to Maryborough with 15 students and 6 steers competing.
Parents and interested community members are invited to have a look at our cattle on Tuesday 20th October, 1.30pm up at the school’s cattle yards. Access is via Ryan Avenue.
We thank sponsors and supporters of this great educational program.
INSTRUMENTAL MUSIC NEWS

Gig Guide
24th October  School Fete
29th – 30th October  Marching Band Workshops at School
12th November  Secondary Awards Nights
3rd December  Carols Night

A big thank you to the students who gave up some of their holiday to perform at Boynewood’s Centenary celebrations on Saturday. The performance was well received.

In place of our Music Camp, a two-day workshop will be held on the 29th and 30th October at school. The workshop will focus on Marching Band techniques and will involve all continuing students and some beginners. The cost will be minimal (approx. $10). Final details will be distributed to students next week.

Recruiting for next year’s program will commence in the coming weeks. Enrolment in the program is open to students from grades 4 – 10 (2016). Further details to come.

HEALTH ALERT—ASBESTOS IN SOME CRAYONS

The Australian Government has issued an alert regarding the sale of crayons within Australia that have been found to contain trace amounts of asbestos.

Trace amounts of asbestos have been detected in some brands of children’s crayons that have been imported into Australia. The crayon products in which asbestos has been identified are as follows:
- Dora the Explorer personalised 32 pack crayons
- Dora the Explorer jumbo crayons
- Arti Crafti 16 piece crayons
- Peppa Pig 8 wax crayons
- Disney “Frozen” jumbo crayons
- Disney “Mickey Mouse and Friends” crayons

VERY LOW RISK OF EXPOSURE TO ASBESTOS FIBRES

The traces of asbestos that have been detected in the crayons are fully bound in the crayon wax. Studies have shown that as a result, asbestos fibres would not be released during normal use or as a result of ingestion. This is because the melting point of crayon wax is well above body temperature. Accordingly, these goods are considered to pose a very low risk to humans.

Despite the low risk, the Australian Government as well as State and Territory Governments are taking a precautionary and coordinated approach to this incident, through the HWSA Imported Materials with Asbestos Working Group.

If you are concerned you have purchased the affected crayons, you can return them to the place of purchase for a refund or replacement. In line with good practice procedures in handling asbestos containing materials, it is recommended that the crayons be placed in a plastic bag, such as a zip lock bag or in the original packaging if possible, for return. Personal Protective Equipment is not required to be worn.

If not returned to your supplier, affected products should be taken to an asbestos disposal facility. Your nearest asbestos disposal facility can be located using the online tool on the Asbestos Safety and Eradication Agency (ASEA) website: http://asbestossafety.gov.au/search-disposal-facilities
BOOK CLUB
Book club brochures have been distributed. Orders and payment are due at school by Wednesday 21st October.

TOY DRIVE
Catalogues were distributed last term for a P & C fundraiser. Your support of this by ordering for yourself, friends and family would be appreciated. A commission from sales will go towards resources for our school. Orders and payment as instructed in the catalogue are due by 16th October.

BOWLING SUCCESS
Congratulations to Brittanny Wiley & Bek Adams who played at Pine Rivers at the end of last term in the State Finals of the Secondary Schools Bowls Challenge.

They won 8 out of 10 games and came 3rd Overall for the State out of the 16 teams that attended.
Brittanny also competed in the Australian Under 18 Bowls Championships, held at Tuggeranong Valley Bowls Club in Canberra from the 28-30th September.

She played in the Triples & Fours and won 2 Gold Medals as well as being in the Girls team that won the Girls’ Overall Trophy and in the Queensland team which won the Robert Middleton Trophy for the Overall State Champions. Ten Best Players (5 Girls & 5 Boys) from each State attended this event. Congratulations to Brittanny on this great sporting achievement.

AN EXTRA SPECIAL LUNCH DAY on Tuesday 20th October. There will be usual tuckshop on Thursday 22nd October.

COACHING COURSE—Coaching Juniors,  The Waves Sports Club Bundaberg
Saturday 7 November 2015  9:00am–12:00pm
Who will be the next Tiger Woods, Michael Jordan or Venus Williams? There is a certain mystique about talented athletes, and we recognise it is not an easy path to elite success with few achieving their dream. However, the role you play as a coach for all athletes, particularly young athletes, will not only contribute to their overall development but more importantly their desire to maintain an active, healthy lifestyle throughout life. The goals should be to encourage healthy activity for inactive kids, teach life skills, develop a long-term enjoyment of sport and give naturally gifted athletes the tools that will help them perform at an elite level. Kids who are streamlined into a single sport early in life are robbed of more varied experiences critical to developing overall athleticism. A lower athletic base ultimately limits their sport-specific improvement potential and can lead to burnout. The focus should be on helping young athletes develop skills they will draw on at an older age when they are actually ready to capitalise on sport specialisation. This workshop will explore all the challenges today’s coach faces when working with young athletes.
