STUDENT LEADERS’ INVESTITURE
Thanks to all community members who attended the ceremony on Monday. This was a very proud moment in the lives of students selected to represent their peers and the school.

Band rehearsal changes
Week 9 - Next Thursday, the Secondary Band will have their rehearsal at Big Lunch and the Primary Band will have their rehearsal after school as usual. The Primary Band rehearsal will be brief ending at 3:00pm. These changes are so that I can attend an after school meeting in Gayndah on the same day.
Week 10 – No rehearsal for either band as it is the last day of school and the Cross-country is being held on this day also. - Kirsty McGovern
BOYS’ CLUB
The first session of Boys’ Club was a huge success last week with nearly 20 participants attending. Students set short term goals (Missions) for themselves which they must achieve this week and participated in some team building activities. Boys Club is a great opportunity for your son to receive extra assistance with staying organised and remaining on task with assessment and homework. The program is also about building relationships across year levels and helping students adapt socially and emotionally. Boys Club is for secondary boy students and is held at Mundubbera State P-10 on a Thursday afternoon. Afternoon tea is provided and there is no cost thanks to support from MCDA. The session runs from 2.35 to 3.35pm.

NORTH BURNETT SECONDARY SPORT
Well done to Mundubbera P-10 students who attended the 2015 NB Winter trials. Please return completed information notes and payment by tomorrow.

PRIMARY DISTRICT SPORT
My apologies to Connor Maeyke, Tobey Wain and Rowan Briggs for some misinformation about soccer trials. Well done to Connor for district selection. (Mrs Whelan needs to start wearing her glasses)
Well done to Caitlin Wagner and Josh Kugel who competed in NB touch football trials last Thursday. Teachers who co-ordinated the trials were very impressed with your efforts and behaviour. - Lisa Whelan

FRIDAY SPORTS RESULTS
This term we have been running our Friday sports program in first period. Grade 3 and 4 have been playing softball and grades 5 and 6 have been playing a modified version of cricket. Unfortunately poor Friday weather condition finds our competition still going with the finals to be held tomorrow. For those new to our school during Friday sport students break into their house groups and play against each other in the sports of softball and cricket 1st and 4th term and soccer and netball 2nd and 3rd term.

KIDS’ CORNER HAS RETURNED
Our first article is a poem by Shakaya Barsah in Year 8.

Black and White

Black and white,
It’s what the world’s made up of, right?
The human race split into two
Will there ever be peace between you?

Colour, race, gender, culture –
No matter what you are
The world will label you as
“One of them”.

We are all human
What is it you cannot see?
I am you and
You are me.

I see humans but no humanity.

We will discuss what those amendments would mean in practice and give you the confidence via email or mobile after the workshop in case things get difficult.

Did you know that in June 2007 Incorporated Associations legislation brought in sweeping changes that mean any club with an older constitution should have reviewed and adopted a new one? Has your club been thinking about changing its constitution but doesn’t know where to start? Are you having trouble agreeing on change or understanding what some of the changes will mean in your particular organisation? Office of Fair Trading has provided a simple template to help that will work for almost every type of organisation.

Here’s your chance to resolve all the problems in one workshop. Simply bring a copy of your old constitution along and we will review it during the workshop, discussing various options for your club to consider in a step by step guide. You can even bring your laptop along if you have one and write your new rules on the night using the Fair Trading template as a base. By adding a few simple tweaks and tailoring the template to your club this onerous project can be completed in just a couple of hours.

We will discuss what those amendments would mean in practice and give you the confidence and knowledge you’ll need to explain it to others as well as take you step by step through how to have the new rules properly adopted and even help to complete the paperwork necessary to advise the changes to Office of Fair Trading. Attendance at the workshop also includes the opportunity to ask as many questions as you want and have access to free advice via email or mobile after the workshop in case things get difficult.
