Attendance
As you can see from our daily attendance tracking, our Fridays are still the days that we have the most absences from school. The great news is that we are ahead of our target for students being at school. We continue to engage students with the mantra of ‘Every day counts’ and we appreciate that parents are supporting this by ensuring that their child is in front of a teacher 1.2% more than the same time last year. Please remember that school continues until Thursday next week and we expect to have all students here for the cross country and the last day of term 1.

Report Cards
Reports have now been emailed to parents. Please let us know if there are any anomalies.
This is a reminder that Parent Teacher interviews will be happening next week, Tuesday 31st March from 3pm-6pm. Please call the office to make an appointment if your child is in primary. Secondary parents are asked to liaise with their child to negotiate interview times with individual teachers.
Vanuatu Day
It was a great effort for all involved yesterday, raising funds for our fellow man. The sausage sizzle and free dress day raised $807.95 yesterday, plus $237 from our student council and $201.50 from local service club donations. Special thanks to staff who donated the food products so all proceeds went straight to Vanuatu with provision of the following items:

- A first aid kit
- 6 family water kits to store and purify water
- An emergency relief pack to support a family
- A school in a box that can support 40 students
- 2 heavy tarpaulin sets to shelter families that have lost their homes.

Thanks to all involved.
- Peter Townsend

SWIMMING SUCCESS

Well done to Tayleigh Fry-Allan and Sophie Zipf for their performances at the State Swimming Championships this week. We wish Skye Ward success in her current participation at championships.
Tayleigh won gold in her 100m breast stroke, silver in the individual medley, 5th in 100m backstroke, 5th in 50m breast stroke, 8th in 200m breast stroke (best of the eleven year old swimmers), 14th in 100m butterfly and has been selected to swim in the Pan Pacific competition in Adelaide.
Sophie achieved personal best times in 50m back stroke and 100m freestyle as well as swimming 50m butterfly.
It is great to see the results of dedication, training and talent supported by family and friends. Congratulations.

NO HOMEWORK CLUB THIS MONDAY
There will be no primary homework club next week, being the last week before holidays. It has been good to see the enthusiasm of those who have taken part in homework club with Mr Webb and Miss Fry.

KIDS’ CORNER
Prep students have been practising story-writing this week. The following story was created using the classroom’s visual prompts.

On Monday Ella, Grace and Tyrone went to the waterpark. They jumped off the board into the cold water. They were happy because they liked the fun waterpark. They splashed into the water when they were playing. At the end of the day they went on the Rollercoaster.
The End!

One more week of school before the holidays … and it’s only a 4 day week.

Write/Re-Write your Group’s Constitution

Wednesday 22 April 2015 at MONTO BOWLS CLUB Monto Airport Rd
6:00pm–9:00pm (Light supper provided – so registrations are essential)

Did you know that in June 2007 Incorporated Associations legislation brought in sweeping changes that mean any club with an older constitution should have reviewed and adopted a new one? Has your club been thinking about changing its constitution but doesn’t know where to start? Are you having trouble agreeing on change or understanding what some of the changes will mean in your particular organisation? Office of Fair Trading has provided a simple template to help that will work for almost every type of organisation.

Here’s your chance to resolve all the problems in one workshop. Simply bring a copy of your old constitution along and we will review it during the workshop, discussing various options for your club to consider in a step by step guide. You can even bring your laptop along if you have one and write your new rules on the night using the Fair Trading template as a base. By adding a few simple tweaks and tailoring the template to your club this onerous project can be completed in just a couple of hours.

We will discuss what those amendments would mean in practice and give you the confidence and knowledge you’ll need to explain it to others as well as take you step by step through how to have the new rules properly adopted and even help to complete the paperwork necessary to advise the changes to Office of Fair Trading. Attendance at the workshop also includes the opportunity to ask as many questions as you want and have access to free advice via email or mobile after the workshop in case things get difficult.

Registration - Register online 🏛
Closes Friday 17 April 2015—registrations are essential)
(This workshop is FREE & open to all not-for-profit organisations)

TAKE HOME A BIG BROTHER OR BIG SISTER
Give your children the wonderful experience of having an international ‘big brother’ or ‘big sister’ by hosting one of our exceptional, carefully-screened international students for a 3, 5 or 10 month program. We have students aged 15-18 arriving from France, Germany, Italy, Spain and Scandinavia in July 2015 seeking welcoming families all over Australia, in both rural and urban communities. They will live like a local, attend a local secondary school, arrive with their own spending money and comprehensive insurance cover – all arranged by Southern Cross Cultural Exchange. Capture the spirit of family and friendship - visit us on Facebook or at www.scce.com.au, email sccceast@scce.com.au or call us toll free on 1800 500 501 to request a booklet of international students.
