Students will receive information letters early next week regarding each of the above performances and general information about the Instrumental Music Program for this semester.

Students with overdue fees will not be allowed to attend lessons, rehearsals or performances until these fees are paid.

Band rehearsal times for this semester are each Thursday as follows:
Primary band: 2:45pm – 3:30pm  Secondary band: 3:10 pm – 4:10pm
THANK YOU
I would like to take the opportunity to thank you all very much for your efforts helping the children prepare for our book week parade last term. The children looked amazing. I hope that they enjoyed themselves. We had the pleasure of a guest speaker to run our parade - none other than Mr Van Elst! There were also a host of other characters who turned up including Darth Vader presenting awards. - Ann Watt

STUDENT BANKING
Three students gained prizes this week for making 10 deposits in their student banking accounts. Banking is generally processed each Monday at the school office. New account forms are available from the office.

P & C MEETING
We will be meeting at 6.30pm this evening in the school library. We encourage parents to attend and help planning for fete and Musical Gala as well as discussion on facilities improvements and new and innovative ways of having parental involvement in classrooms and activities. One of the items for discussion will be personal development talks in the upper primary classes. Please consider becoming a member of the P & C. All input is considered however voting is limited to members only. Please ask for a membership application form from the school office. Acceptance of new members is the last item on the agenda at each meeting apart from the AGM. - Wes Allen
OUTSTANDING SCHOOL LEVIES
Invoices for outstanding school levies were emailed yesterday to those families who have email addresses on our files. The remainder will be posted today. Families who receive a negative invoice have a credit with the school and this can be used for future invoices (arts council, book club etc) When arranging these, advise us to use your credit.

We are half-way through the school year and there is still $13,900 outstanding in levies. This means that primary art activities, especially Fathers’ Day and Christmas craft activities will be limited for those with outstanding levies. Outstanding secondary levies greatly affect the running of the programs and limit the students’ learning experiences. In some subject areas, students will not be allowed to take home their work if levies are unpaid.

A payment plan can be arranged with the office if necessary. Please ask.

SPORTS CANTEEN TOMORROW
The sports catering menu was issued yesterday. Students and visitors should order from this menu for tomorrow’s event.

DEADLY AUSTRALIANS VISIT
The visit yesterday was enjoyed by all who attended. The opportunity to see and learn about Australian reptiles enthrals and informs students.

FITNESS TRAINING IS BACK
Sessions have recommenced with training on Wednesday and Friday mornings from 7am to 8am.

Interested students are welcome to attend fitness sessions for those aged 9 years to 15 years with Mrs Whelan on Fridays and Mr Webb on Wednesdays.
