From The Principal

NAPLAN
All students who completed the 2015 NAPLAN testing received their individual reports on Monday. If you did not receive this please let me know and we can generate another copy. You should be very proud of the efforts of your children and the teaching staff. As a whole school our results were very good.

Pedagogy Coach
We are very lucky to have the expertise of Mr Con Van Elst in the school one day a week. Currently Mr Van Elst is volunteering his time to support new teacher development and teaching. Special thanks to Mr Van Elst for supporting our school considering he is enjoying his long service leave working on his farm.

Outstanding fees
We have had a good response to our latest email out of statements of outstanding school fees. Currently the amount owing is $11,357.00.

SACRAMENTS IN THE CATHOLIC CHURCH
The Catholic Parish of St. Joseph’s (covering the region of Gayndah, Mundubbera and Eidsvold) is preparing to begin its sacramental program for children. The first step in that journey (for those baptised Catholic) is the celebration of Reconciliation for children in year 3 and above.
We encourage you to consider this invitation, and to discuss it with your family. The commitment will be to 3 Thursday afternoon sessions as a group (approx. 1 Hr each) in Gayndah at 5pm (in consultation with the participating families), home lessons from our resource book, plus a practice date. If you wish to proceed as part of the first stage of this program, please call the parish office (4161 1315) no later than August 7th.
You can also email Fr Jason Middleton at gayndah@bne.catholic.net.au with any questions or to register your interest. We look forward to sharing this journey in the faith with your family.

In future, newsletters will be distributed in hard copy only to families who do not have email addresses.

This should overcome some instances of loss or non-delivery due to newsletters being left in desks etc.

If your email address is not newsletter friendly, please let the office know so that the distribution lists can be adjusted.

This change is planned to be an environmental and financial improvement.
