THANKS FOR THE VARIETY
The efforts, interest and support of all involved ensured last Friday night’s program was indeed an enjoyable variety of entertainment. It included a very professional excerpt from the upcoming “Grease” performance, instrumental music from drums, flute, piano and guitar, singers, stand-up comedienne and some extremely amusing skits performed anonymously or in such great costumes that anonymity was achieved by many Jaycettes and Rotarians, school staff and their friends. The backstage management, sound and lights were a credit to the providers and we thank the MC for keeping the night flowing smoothly. Lucky door prizes were won by Wendy Wallis and Sharon MacDonald. Raffle winners were Kirsten Gagen and Gayle Pott. Thanks to all contributors and audience members.

CONGRATULATIONS TO OUR STATE SWIMMERS
Well done to the girls who recently represented Wide Bay in the state swimming championships.
Great work
We congratulate the girls who recently represented Wide Bay in the state swimming championships. Their dedication and commitment to training gained rewards: Tayleigh Fry-Allan (elected Under 12 female team captain) swam 14th in relay and 1st in 200m breast stroke, 2nd in 400 individual medley and 3rd in 100m breast stroke as well as competing in other events. Tayleigh has been selected in the state team to travel to Darwin.
Skye Ward swam the 800m, 400m and 200m freestyle events, achieving close to her personal best performances.
Sophie Zipf achieved a personal best (31.02) in the 50m freestyle, and swam well in the 100m freestyle. Sophie also swam in the 4x50m Freestyle relay and swam the freestyle leg of the medley relay.
It was a great experience for the girls, being part of the Wide Bay Swimming Team.

THANKS MR BLISSETT

Primary parent interviews are to be booked through the school office.
Secondary students will receive a booking sheet to arrange suitable interview times for parents with selected teachers.

STUDENT REPORTS
Interim reports were issued today by email. Hard copies have been distributed to those with no email access. There was an error with Prep report format and these have now been printed and will be provided to the students.

CROSS COUNTRY
The school’s Cross Country will be held first Friday back after Easter holidays (15th April). Students will walk through the cross country track on Monday and Tuesday after the holidays. Once again this year the course will be run through the school and adjacent paddocks.

PRIMARY CLASSROOM MUSIC REMINDER
Congratulations to Year 3 class. All students have their Mini Music Books. These are used every week during music lessons.
A small number of students in other classes still do not have a Mini Music Book. As it is now the end of Term 1, it would be appreciated if parents of these students could purchase the books at the office for $8 so they are ready for use in Term 2.
Your cooperation in this matter is greatly appreciated.

LACE WINGS
All year levels have been growing their own lace wing insects over the last 3 weeks. They have just hatched and were released into the schools horticulture plot. These insects were supplied by ‘Bugs for Bugs’ and they are beneficial insects that help keep aphids numbers down in our gardens, keeping our vegetable safe.

YEAR 6 SCIENCE
For their science assessment, Year 6 students applied their knowledge of reversible and irreversible changes of materials to plan and conduct a fair test. They were required to heat and cool a range of substances and observe the changes.
“I classified any change as reversible if the material returned to the same colour and state after it was heated and then cooled.”
“A change was classified as irreversible if the material changed colour and texture, or if the material produced a gas.”

TUCKSHOP
Thanks to all who support the school tuckshop. There will be tuckshop as usual in the first week back from holidays.
