CONGRATULATIONS NATALIE—STATE VOLLEYBALL
Congratulations to Natalie Kassulke who attended the State Volleyball trials as part of the Under 15s Wide Bay team in Brisbane last week. The best volleyball players from across the state attended these trials. The Wide Bay team managed to make it to the grand final without being defeated. The grand final saw Wide Bay narrowly defeated by Metropolitan North and Wide Bay players received a silver medal for their spirited efforts. Well done Natalie for your continued commitment and determination to your sport.

STUDY SKILLS AND TIME MANAGEMENT PROGRAM
Junior secondary students in 2016 are busy people. Apart from the high expectations of parents and teachers, many have very full sporting commitments, part time jobs and a myriad of other demands on their time. It has been a particular concern for teachers in recent years that Mundubbera Junior Secondary students are expected to know how to study and plan and submit assessment on time and in full without any formal assistance. These skills are often learned indirectly as Junior Secondaries move through the years.
As a result of these concerns, Junior Secondary students have been undertaking a study skills program delivered initially by Elevate Education over the past 4 months. Following this introduction, the school is building on this delivery by:
- Having students devise a home study program
- Reviewing their study program twice weekly (in timetabled form lessons)
- Using a timetable, glued into their diary as a guide to study
- Introducing extended form meetings in Term Three to help students develop their study and revision practices.
- Extend these practices into Year 6, to improve the transition of the students from Middle Primary into Junior secondary.

To assist students, we will be asking them to complete a home study program for each week. It is important that students block off their commitments such as sport, work and other activities, and that they manage their school commitments so that it is planned and mapped to maximize study time.

Included in this newsletter, is a sample weekly study table. We are initially asking students to fill in two timetables with their regular weekly commitments (such as sport). During form on Monday, form teachers will assist students to complete their weekly study table. Each Friday, students will be given next week’s study table with the identified blocked sessions to complete.

Early next term we intend to hold a night for parents, so that we can explain the program move fully, answer questions, and most importantly enlist your assistance in this important aspect of your child’s education.

FREE MUSIC EVENT WEDNESDAY 18TH MAY
Watoto Children’s Choir will be performing live at Gayndah Town Hall commencing at 7pm next Wednesday 18th May.
