Under the agreement for 2015
Mundubbera State School will receive $68,110* 

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- 90% of students will attain a C in mathematics in Semester 2 at age specific benchmarks
- 80% of students will attain C in English in Semester 2 at age specific benchmarks
- 85% of students will attain C in Science in Semester 2
- 96% of students meeting NMS year 3,5,7,9 in Writing, Reading and Numeracy
- 15% of students achieve in U2B for Writing
- 20% of students receive A or B in Maths, English, Science
- 80% of students in Prep to year 2 achieving expected benchmarks for sight words

Our strategy will be to

- Link with Dr Anne Drabble University Sunshine Coast to observe, feedback, coach and model to teachers, the fundamentals of writing, through; Consistency in staff communication around writing; Shared writing templates that are developmental across years P-10 (Olivero et al., 1997).
- Improve teacher understanding of oral language and early literacy development and the use of class & individual assessment data to ID specific areas of weakness in language and literacy
- Link with Dr Harry Kanasa to develop and enact engaging science instruction, delivery and assessment for all grades
- Target focused literacy development in year Prep to year 3, based on student’s development
- Engage teachers in professional development targeted at addressing numerate misconceptions in the early years
- Develop higher order thinking skills & strategies in problem solving in the Junior Secondary

Our school will improve student outcomes by
