HOMEWORK POLICY AND EXPECTATIONS

• It is an expectation that students will receive a regular program of homework for each subject. This includes:
  ✓ set tasks in relation to the classwork
  ✓ reading
  ✓ assignment and research work
  ✓ specified revision
• This expectation is widely promoted to parents.
• All homework for secondary students should be recorded in the student’s homework diary and set out as specified in the diary.
• Secondary students are required to have their diary at every lesson.
• The policy recommends the following maximum homework hours over a week:

  ♦ Years 6-7: Could be up to but generally not more than 3-4 hours per week.
  ♦ Years 8-9: Could be up to but generally not more than 5 hours per week.
  ♦ Years 10: The amount of time devoted to homework and independent study will vary according to the student’s learning needs and individual program of learning, determined through their Senior Education and Training (SET) Plan
